

## An Organization for Hellenic Women and Philhellenes

A Philhellene is to be a friend of all things Hellenic and celebrate a culture that touches all facets of society.

There is a long standing admiration of the Greek culture since before the Romans Hellenized in the 3rd Century. Philhellenes around the world and through the centuries look to Greek traditions with cuisine, education, athletics, and art. All steeped in history, and celebrated with pride. The principles of Hellenism are rooted deep in our hearts.

**Membership is open to anyone who believes in the mission of the Daughters of Penelope, an affiliate of the AHEPA Organization.**
